PRODUCT HIGHLIGHT

DEEP PORE CLEANSING SYSTEM

THE YOUTH-PRESERVING DEEP CLEAN YOUR PORES HAVE BEEN WAITING FOR.

Cleansing oils go deeper than milks or gels. They bond with your skin's natural oils, drawing out more dirt, make-up and pollutants than your milk or gel cleanser ever could. Combined with their specially designed herbal toners, they become water soluble to ultra cleanse and exfoliate. This process prepares your skin for maximum absorption of serums, creams and masks. Cleansing oils and herbal toners enable your post-cleanser products to penetrate deeper and deliver active ingredients where they're most effective.

WHAT IT DOES:

- Dissolves stubborn pore impurities while gently exfoliating
- Stimulates cell rejuvenation for balanced, healthy skin
- Visibly minimizes pores and fine lines

TIPS AND TRICKS:

Use your cleansing duo right when you get home from work and change your clothes. Relax with clean and fresh skin!
